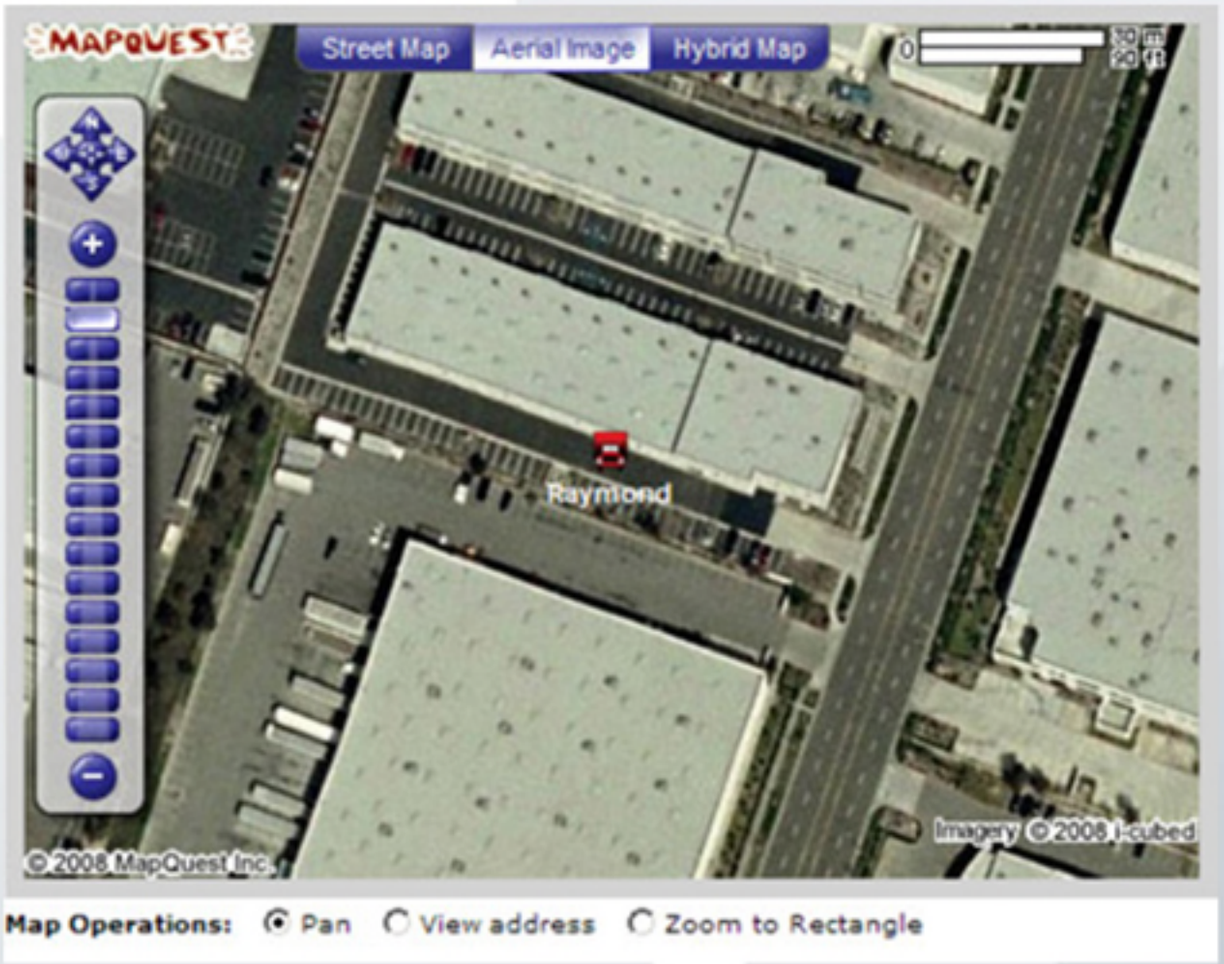
Advanced Fleet Management AFM-6200



AFM 6200 System Overview

The AFM-6200
GPS Vehicle Management System

Features:

- Enterprise Level Vehicle Reporting
- Low Monthly Costs
- No Long Term Contracts
- Locate On Demand
- Automatic Report Delivery To You
- Plus much more…

AFM-6200 Overview:

Hardwired Vehicle Installation:

From Simple Three Wire Basic Installation: Hot, Ground, Ignition Hot

To: Additional Input Alerts, Panic Button & Alarm Alerts

For Example: Wire device to your existing alarm system, if your vehicle's alarm is activated – the system will notify you.

Or, you have a panic button. If pushed, the system will alert you to the activation.

Or, You have a PTO that you need to monitor, the AFM-6200 can do it.

Stop Report

Shows where, when and for how long an item has stopped
