

Live Trac EZ

Installation Guide

Activation

Activate your account prior to installing your tracking device.

Visit www.LiveViewGPS.com and choose the "Activate" link at the top right of the site.

Select the "Live Trac EZ" link and E-sign your activation form. This process takes about 3 minutes.

Activations are done from 7 am - 4 pm PST. Once your activation has been processed we will email you your username/password and URL for login. The entire process can take between 1 - 3 hours.

All activations are billed on a pro-rated term for the current month of service. We will auto-bill you on the first of every month.

If you wish to cancel, please submit your request to us no later than the 25th day of the month you wish to discontinue service. A service cancellation form is available at www.LiveViewGPS.com - top right of site "Cancel".

To begin viewing the vehicle's location, simply go to the website and provide your Userid and Password to login. Our device transmits every 5 or 10 seconds (depending on your rate plan) when the vehicle is moving faster than 3 mph. It will send its location every 30 minutes when the ignition is off. Driving the vehicle around the block will assist in its first data transmission.

Installation

Step 1. Locate the OBDII socket. (This location will vary from vehicle to vehicle but generally can be located below the steering column / instrument cluster.)

common location of OBD connectors

16 Pin OBDII type connector

Step 2. Firmly insert the Live Trac EZ device into the OBDII socket. After the device is installed please ensure that the device is working properly as evidenced by a GPS lock and cellular connection as indicated by the LED lamps on the side of the device.

LED Indicator Lamps

The Live Trac EZ includes a J1962 compliant OBDII connector, a micro USB I/O port and three LED indicator lamps representing OBDII, GSM and GPS status. The following table describes the OBD-X5's LED operation.

Condition	Red LED <i>OBD</i>	Green LED <i>GSM</i>	Blue LED <i>GPS</i>
Initial power cycle	Fast Blink		
Pwr/protocol discovered	Slow Blink		
Searching for cell signal		Fast Blink	
Signal found/transmitting		Slow Blink	
Acquiring satellite signal			Fast Blink
Satellite signal acquired			Slow Blink

Note: The micro USB (2.0) connector on this device is intended for troubleshooting and cannot be used to charge the device.

The Live Trac EZ device is NOT a sealed or waterproof device. Special care must be taken to ensure that the device is kept free from dust and moisture.

Failure to follow any of the above warnings could result in the unit to cease functionality and will result in the revocation of all warranties.

IMPORTANT Please note that '06-'07 Ford F-150 trucks have been known to have faulty wiring and it is strongly advised that all manufacturers' recalls be brought up to date by a qualified service company PRIOR to installation of the Live Trac EZ device.

WARRANTY COVERAGE

LiveViewGPS, Inc. (LVGPSI)'s warranty obligations for this Live View EZ series tracking unit are limited to the terms set forth below:

LVGPSI warrants the LVGPSI EZ series tracking unit against defects in materials and workmanship for a period of one (1) year from the date of original purchase ("Warranty Period").

Specifically, the date the equipment is shipped to the customer.

If a defect arises and a valid claim is received by LVGPSI within the Warranty Period, at its option, LVGPSI will (1) repair the product at no charge, using new or refurbished replacement parts, (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product.

LVGPSI warrants replacement products or parts provided under this warranty against defects in materials and workmanship from the date of the replacement or repair for ninety (90) days OR for the remaining portion of the original product's warranty, whichever provides longer coverage for you. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes LVGPSI's property. When a refund is given, your product becomes LVGPSI's property.

This Limited Warranty does not apply to any non-LVGPSI hardware product or any software.

LVGPSI is not liable for any damage to or loss of any programs, data, or other information stored on any media contained within the vehicle tracking or navigation systems.

This warranty does not apply: (a) to damage caused by accident, abuse, misuse, misapplication, or non-LVGPSI products; (b) to damage caused by electrical connection not conforming to instructions; (c) to a product or a part that has been modified without the written permission of LVGPSI; (d) if any LVGPSI serial number has been removed or defaced; (e) in the event of interruption or discontinuation of GPS satellite signal; or (f) in the event of interruption or discontinuation of the wireless coverage.

To the maximum extent permitted by law, this warranty and the remedies set forth above are exclusive and in lieu of all other warranties, remedies and conditions, whether oral or written, express or implied. LVGPSI specifically disclaims any and all implied warranties, including, without limitation, warranties of merchantability and fitness for a particular purpose. If LVGPSI cannot lawfully disclaim or exclude implied warranties under applicable law, then to the extent possible any claims under such implied warranties shall expire on expiration of the warranty period. No LVGPSI reseller, agent, or employee is authorized to make any modification, extension, or addition to this warranty.

SPECIFIC LIMITATION OF LIABILITY

To the maximum extent permitted by law, LVGPSI assumes no liability for direct, special, incidental or consequential damages of any kind under any circumstance resulting from the use of or inability to use LVGPSI products. Use of LVGPSI products constitutes your agreement to and acceptance of this limitation of LVGPSI liability.

As a knowledgeable and informed person, the user specifically acknowledges LVGPSI is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including any costs of recovering or reproducing any program or data stored in or used with the LVGPSI product, and any failure to maintain restricted airtime usage or failure to maintain the confidentiality of data stored on the product. LVGPSI specifically does not represent that it will be able to repair any product under this warranty or make a product exchange without risk to or loss of programs or data.

OBTAINING WARRANTY SERVICE

Please email info@liveviewgps.com with your LVGPSI model and serial number, and describe the anomaly in detail. LVGPSI will respond to your email with proper user diagnosis and repair or provide you with an authorization number and instruction for shipment for authorized repair. Use care and original shipping container to prevent shipping damage. No repair work will be done and your tracking unit will not be returned if an authorization number is not obtained in advance.
